

EAST MARSHALL COMMUNITY SCHOOL

Work Session

December 17, 2020

The Board for the East Marshall Community School District met for a work session 12/17/20 in the board room at the East Marshall District Office at 6:00 p.m. Members Present: Craig Mommer, Elizabeth Crandon, Terri Hungerford, Ann Dee Bloom, Andrea Terrones. Absent: None. Also Present: Superintendent Anthony Ryan, Business Manager/Board Secretary Riley Myers, Randy Braden and Stan Slessor.

Chairman Terrones called the work session to order at 6:00 p.m.

APPROVE AGENDA: Motion by Hungerford, second by Bloom to approve the work session agenda as presented. Motion carried.

Randy Braden complimented the school district for how well we have addressed and adjusted to COVID. Leading during a pandemic is not easy.

Mr. Braden reviewed the Board Self-evaluation survey results with the school board. A brief overview of the results was discussed with takeaways.

Mr. Braden reviewed the school board leadership spectrum and dialogue occurred.

Both Mr. Braden and Mr. Slessor went through each review question and in-depth discussion took place with each topic. The school board believed our leadership team is in a spot on the spectrum.

School board members discussed having opportunities for school board learning experiences built into school board meetings. It was also discussed to have student learning portions built into future school board agendas. The district has missed opportunities for such discussion due to the pandemic. Building student academic topics into future school board meetings is a desire of the school board.

Mr. Braden and Mr. Slessor asked both the school board and Mr. Ryan for final reflective thoughts from the work session.

ADJOURN: Motion by Crandon, second by Hungerford to adjourn the work session at 7:45 p.m.

Attest: Riley Myers, Board Secretary (Notes for minutes recorded by Anthony Ryan)
